

## **Information for Station's Children's Television Programming Report**

### **MARTY STOUFFER'S WILD AMERICA**

**WILD AMERICA is targeted to children ages 13-16. The key educational objective of the program is to familiarize children with the animals of the North American content, their interaction with other animals and their environment. Throughout the series emphasis will be placed upon protecting endangered species and the impact that humans have while interacting in their environment.**

**Each episode of the series will be specific to a particular animal. Topics will range from basic food gather, mating, natural enemies, relationships to other animals, and the interaction of the specific ecology on the survival of the species.**

**We expect that children viewing the program will achieve a greater understanding of nature and specific animal species because of the up-close and detailed photography of the series. Through this understanding, it is hoped children will better relate to the natural environment as it exist in North American and learn to protect its natural species.**

**Please note: The F.C.C. has stated that although stations may refer to information provided by program suppliers in assessing the educational and formational value of the programming, the station remains ultimately responsible for determining whether the program is specifically designed to meet the educational and informational needs of children. (F.C.C. Report and Order of August 8, 1996 paragraph 88, n 204).**
